Spring
Style
Standard

Style in a Hat is in its shape. Many a hat is stylish when you buy, but not so after the first rain. Lamson & Hubbard hats hold their distinctive stylish shapes and lustrous finish because they are made from the famous L. & H. Fur-Felt. The furs are mixed in just the right proportion to prevent cracking or softening, and are then colored with L. & H. Fast Dye. A strict laboratory test guarantees that only perfect materials go into an L. & H. Boston-made for 30 years with that reputation. Because quality counts, L. & H. Hats are made

For the Man Who Cares.

The privilege of showing you the distinctive style for Spring, best suited to your individual requirements, is requested.
